As every patron is with the superb Feldman seven-dollar "Special" Photographs at three dollars a dozen, these questions are daily asked us: "How can you do it, and why do you do it?" Let us answer these inquiries fully and frankly. It would not be possible to make this remarkable offer if ours were a small studio doing business on a small scale. Producing these fine pictures in great quantities, with an equipment and organization perfected for executing the most artistic work on a large scale, making favorable purchase of stock in large quantities, you can appreciate why with Feldman it is possible to make this remarkable proposition.

Appointments may be made to April 27th and sittings to April 30th.

## JACK JOHNSON TRAINS HARD

Chicago, Ill., April 15.—After a lay off due to his appearance in court, Jack Johnson put in a hard training session yesterday. He walked and ran 10 miles, boxed with Cutler and Cotton and finished the day's training with an hour's gymnasium work. The champion asserted that if he didn't get mixed up with the courts he would continue this sort of work until he leaves for the coast. Johnson displayed keen interest in the Langford-Barry fight. When told the result he said either Barry is improving or Langford is going back, which expression required deep thought, no doubt.

opener. Clifton will play a practice game in Morenci on Sunday which will afford a chance to compare the strength of the two teams. The season opens on April 30 with Morenci. Phil Caul, who played with Clifton all of last season, has been traded by Scranton, N. Y. State league to York of the Tri-State, for "Kid" Gleason, the former Philadelphia infielder. "Rube" Ward, the Clifton boy who played with Bisbee last year, failed to make good with Vernon, it is reported, and it is understood that he is trying to get a try out with the Douglas combination.

## IT'S "BIG JIM'S" BIRTHDAY

SAM BERGER, YARNIE BURNS, JIM JEFFRIES AND DICK ADAMS. CO. JEFFRIES' ARRIVAL AT OAKLAND. PHOTO BY GLENN.

Ben Lomond, Cal., April 15.—Three rounds of boxing with big black Bob Armstrong did not show up Jeffries very well. The big white man chased the big black all around the ring, but 30 visitors seemed to agree that Jeff was far from his former self.

Sam Berger believes that worry over his wife has something to do with it. Mrs. Jeffries will go under the surgeon's knife Saturday at Oakland. Also today is Jeffries' birthday—his 35th, according to Berger.

"Big Jeff" is now hard at it, training for the great battle with "Jack" Johnson on July 4 next. The only fear that "Jeff's" handlers have now is that the big fellow will work too hard and go stale before the day of the fight. "Jeff" is a glutton for hard work and never seems to tire. "Sam Berger" is in charge of the training camp and has a great retinue of fighters who are preparing "Jeff" for his engagement with the negro boxer.

## Bingles and Bunts

By CAB

Donovan's Doughty Douglas Demons don't daunt Harbuck's Huskies.

The score board is too small. There was not sufficient room on which to write the extra innings Sunday. Better prepare for some more games like that this season.

El Paso can hit; El Paso can run, and that is the whole game.

Better oil up the pitching staff a little so they won't get stiff, Harbuck.

Harry Potter wears a winsome smile when he sees the crowds coming in the gate. He ought to watch them when they try to wriggle out.

"Whitney" Howitt has won a season meal ticket already.

El Paso develops fast players, other

cities take them and don't even say thanks. Let us have a protective tariff.

They say that Dugan, the manager of the Cananea team, is Irish. Dugan says he is proud of it and an Irishman knows how a club ought to be swung.

There were 5000 at the game last Sunday, or nearly that many and the game was great. Watch the attendance grow.

El Paso is booked for the most successful baseball season in its history. Wylie get your hair cut. The fans like that shaved head; it looks funny on the coaching lines.

Merritt is a good name for an Al catcher, and he is.

El Paso fans don't make enough noise and yet they have big voices.

## CANANEA HAS A VERY STRONG TEAM

Anderson, Pitcher From Seattle, Will Soon Join The Bunch.

Cananea, Mexico, April 15.—The Cananea team for the season is now in splendid shape. Anderson, a new pitcher, who is coming from Seattle, will be here in a few days, and then the entire team will have been gathered together for the work before it. The Cananea fans are enthusiastic over the success of their team, and the manner in which they defeated the strong El Paso team in the second game in that city recently, leads to the belief that the Cananea players are going to be as strong as any other team in the league.

## CARRIZOZ STRENGTHENS TEAM FOR THE PRESENT SEASON

Carrizozo, N. M., April 15.—The Carrizozo baseball team has been materially strengthened by the arrival of catcher Nelson, who was with the Alamo team last year; shortstop Wheeler, of the El Paso Browns; and pitcher O'Neil.

## SCHOOL OF MINES WINS

Socorro, N. M., April 15.—The baseball team has returned from its trip to Ft. Bayard and Silver City. The Miners lost to Ft. Bayard by 7 to 3, lost to Santa Rita by 11 to 6, and won from Silver City by 4 to 2.

## STUDENTS PLAN FOR FIELD MEET

Southwest Federation to Meet at A. & M. College on May 7.

Agricultural College, N. M., April 15.—The federation track meet that was to have been held in El Paso early in May has been changed and will be held at the college instead. The teams that are expected to participate in this meet are the El Paso high school, the El Paso Military Institute, the Bisbee high school, the university of Arizona, Colonia Juarez, the El Paso V. M. C. A., and the A. & M. college.

This track meet will be one such as has never before been held in the territory and some 20 medals have been offered for the various events. Each participating school and institution will be on its mettle as each will naturally desire to be the winner of the largest track event ever held in the southwest. The college has a number of men out each morning and evening.

The local meet will be held the week before the federation meet and it is hoped by the management that this meet will help to defray the expense of having the work done on the track and of getting the new materials that will have to be used in such an event as the large meet on May 7.

As is the custom the students will have a half holiday on the local field day and in the evening the regular field day ball will be given in Hadley hall.

# Tomorrow is Your Timeto Reduce the Table Expenses

A more complete list of good things to eat than we are showing was never offered you. Besides the list of special values we have hundreds of other good, wholesome articles that will assist in making the dinner a success. Before it gets too warm we suggest that you have a few friends for dinner Sunday. If your vegetables, meats and groceries come from our store you will receive all kinds of compliments, so there is no need running a risk of spoiling the dinner, and you would not run any chance if you selected our goods. If it is inconvenient for you to visit our market tomorrow, just remember that a telephone order will bring the best meats, vegetables and groceries to your kitchen. Also, include an order for a pound of Hills Bros. tea for the kind of iced tea that refreshes and makes you cool all over.

## EL PASO AND THE DOUGLAS TEAM IN THE FRAY

First Meeting This Season of These Two Teams Takes Place in El Paso.

Douglas Demons and Harbuck's Huskies met for their first game of the season Friday afternoon at Washington Park.

According to the El Paso understanding of the thing, it is the third game of the 1910 season, following the initial Cananea meeting. But Douglas promoters have termed it "an exhibition game" and not of the regular schedule. The strained feeling about that schedule has not yet been settled.

Douglas players arrived Friday morning after two hard wallows at the hands of Bisbee. The Demons lost the first game 9 to 5 and the second 9 and 2. But the defeats are blamed on a pitcher's being a little off his feed, and strong, team work is pointed to with pride.

### New Man Coming.

Before the three games here are ended—Friday, Saturday and Sunday—the visiting team will be reinforced with a strong man, Will Harper. Billy has been playing with the Ft. Worth club of the Texas league, but is known well by Cactus fans. He has signed with the Demons and will arrive Saturday. It is hoped, in time to officiate in left field for the visitors.

Charles Scott, a Douglas merchant and one of the club directors, has arrived as manager pro tem of the team in place of manager D. A. O'Donovan. Mr. O'Donovan was compelled to remain at home on account of his baby's serious illness.

**New Men on Team.**  
All the Douglas team this year are new with the exception of Ford, Malone, Walters and Harper. Pitts recently came over from Bisbee, and may work in the box here.

Tommy Smith, captain in 1909 of the Springfield, Mo. Midgets of the Western association, and the premier shortstop of the league, plays the same position with Douglas. Tommy used to control an unlimited number of sacrifice bunts that made good, and may attempt to use them while in El Paso. He was also long on hitting. The Midgets, under the captaincy of Smith last year, headed the league until near the close of the season.

### The Lineup.

The lineup follows:  
El Paso: Jackson 1b; Gowan cf; Flike ss; Barthman 2b; Hewitt 3b; Kernan rf; Chayka lf; Merritt c; Wylie p.  
Douglas: Smith ss; Malone 1b; Redford cf; LeBrand c; Ford 3b; Eckberg rf; Carlson 2b; Harper lf; Kane, Walters, Mathewson, Pitts, choice for pitch.

**CADETS CALL OFF GAME WITH SCHOOL OF MINES**  
The carded game between the El Paso Military Institute and the School of Mines to have been played at Socorro Saturday, has been called off.

**SAYS AUTO FACTORIES ARE BEHIND WITH ORDERS**  
C. M. Barber has returned to the city from a trip to Michigan. He says that the E. M. F. and the Chalmers-Detroit factories at Detroit, and the Oakland Oldsmobile factory at Pontiac are hundreds of orders behind.
